Atlantic Estate Homesite #92 sits on 0.85 acres of pristine beach/oceanfront property located on the north-east shore of Baker's Bay. Perched on a high dune, this premier homesite offers unbeatable eastern views of the layered blue waters and the sunrise. The third largest barrier reef in the Northern Hemisphere is just steps and a short swim away. Homeowners will enjoy early morning sightings of dolphin and other marine life swimming along the shores and sunrise paddle-boarding sessions along miles of sandy coastline. The private nature of this location near the Tom Fazio 18 hole golf course makes this an ideal homesite to build your island escape.
